Welcome Hotchkiss School Board and Staff!

Dear Board and Staff,

I'm delighted to welcome you to Asking Matters, home of the Asking Styles Assessment. We're here to help you with some key questions about fundraising.

Once you've completed the Assessment, your team will be ready to:

1. Contact your local nonprofit organization
2. Develop a fundraising plan
3. Build a fundraising team
4. Plan a fundraising event
5. Write a fundraising letter
6. Create a fundraising report
7. Conduct an end-of-year campaign
8. Create a fundraising plan for the coming year

Find your asking style

Once you've identified your asking style, you can work with your team to plan a fundraising event that will be successful.

All four asking styles are included in this newsletter, which can be downloaded here, as well as a training specific workbook, which will be available soon.
